Family: ________________________________

Dear Parents,

Things are getting very busy towards the end of the term.

**Greater Kengal Parent Information Evening**
Please see the attached flyer regarding a Parent Information Evening on the *Importance of Reading* to be held at the Yerong Creek Hall on Monday 19th March. Please let me know if you are interested. I am happy to take a car over. I think this will be a very worthwhile session and get together for parents in our Network.

**Harmony Day**
Will be held on Tuesday 20th March at Boree Creek PS. We will need to be at Boree by 9.45am. If anyone can help with transport that would be appreciated greatly.

Students will need to wear their house colours or the Harmony Day colour orange. Students will be notified of their house colour as soon as they are finalised.

Students will need to bring their recess and drinks. A BBQ lunch will be available consisting of traditional foods ie kangaroo sausages, crocodile and emu at no cost. Students can bring their lunch if preferred.

Please sign and return the attached permission note indicating if you can help with transport.

**Greater Kengal Author Visit**
We will be travelling to Yerong Creek for this activity. More details and a permission note will be sent home when details are available.

**Greater Kengal Stage Day**
The stage day was to be held during week 6 but this will now be held early in Term 2 with the same arrangements.

I will be at Literacy training on Wednesday 21st March - Mrs Mulholland will be teaching. On Thursday 22nd I have a Principal's Training Day—Mrs Strong will be teaching.

**Mobile Library** – Tuesday 20th March and 3rd April

**Library Borrowing** – will be on THURSDAYS with Mrs Bahr. Please make sure students have a suitable bag that they can use for borrowing and prompt return of books.

As **Cross Country** is on during the last week of term. Could students please wear their runners so we can do some training. It would be good for them to also have a run at home as well.

Parents please be aware of the mosquitoes around at the moment.
Poems about Australian Animals

Emu sitting on the mound,
Hiding his eggs in the nest,
Waiting for his eggs to hatch
So he can have a rest.

Hugh

The koala is munching on the leaves
And climbing in the trees.
The gum leaves he found were delicious
And made him very pleased.

Tiffany

Koala munching on gum leaves
Sitting in a tree
Singing Yummy! Yummy!
These leaves are good for me.

Zoe
